WHEREAS, based upon the representations of the Company and the Sublessee in the Application, the closure of the plant is reasonably necessary for the Company and the Sublessee to maintain their competitive position in their respective industries by enabling the Company and the Sublessee to utilize a larger facility and to prevent the Company and the Sublessee from relocating the facility to New Jersey and is therefore not subject to the prohibitions contained in Section 862 of the Act; and

WHEREAS, the Agency has given due consideration to the application of the Company and the Sublessee and to representations by the Company and the Sublessee that the proposed transaction is necessary to maintain the competitive position of the Company and the Sublessee in their respective industries; and

WHEREAS, the Company and the Sublessee have agreed to indemnify the Agency against certain losses, claims, expenses, damages and liabilities that may arise in connection with the transaction contemplated by the leasing of the Facility by the Agency to the Company for further sublease by the Company to the Sublessee.

NOW, THEREFORE, BE IT RESOLVED by the Agency (a majority of the members thereof affirmatively concurring) as follows:

Section 1. The Agency hereby finds and determines:

(a) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

- (b) The Facility constitutes a “project”, as such term is defined in the Act; and
- (c) The Facility preserves the public purposes of the Act by preserving or increasing the number of permanent private sector jobs in the Town of Islip. The Company and the Sublessee have represented to the Agency that they intend to provide fourteen (14) full-time employees within the first year after completion of the Facility; and
- (d) The acquisition, renovation and equipping of the Facility, the leasing of the Company Facility to the Company for further subleasing to the Sublessee, and the leasing of the Equipment to the Sublessee, will promote and maintain the job opportunities, health, general prosperity and economic welfare of the citizens of Town of Islip, and the State of New York and improve their standard of living and thereby serve the public purposes of the Act; and
- (e) Based upon the representations of the Company and the Sublessee, the transactions contemplated by the Lease Agreement shall result in the removal of a plant from one area of the State to another area of the State, but the Project and the related financial assistance is reasonably necessary for the Company and the Sublessee to maintain their competitive position in their respective industries by enabling the Company and the Sublessee to utilize a larger facility which will increase productivity and efficiency and prevent the Company and the Sublessee from relocating the facility to New Jersey.
- (f) The acquisition, renovation and equipping of the Facility by the Agency is reasonably necessary to induce the Company and the Sublessee to maintain and expand their respective business operations in the Town of Islip; and
- (g) Based upon representations of the Company and the Sublessee and counsel to the Company and the Sublessee, the Facility conforms with the local zoning laws and planning regulations of the Town of Islip and all regional and local land use plans for the area in which the Facility is located; and
- (h) It is desirable and in the public interest for the Agency to sublease the Land and the Improvements and to lease the Facility Equipment to the Company and to lease the Equipment to the Sublessee; and
- (i) The Company Lease will be an effective instrument whereby the Agency leases the Land and the Improvements from the Company; and
- (j) The Lease Agreement will be an effective instrument whereby the Agency leases and subleases the Company Facility to the Company, the Agency and the Company set forth the terms and conditions of their agreement regarding payments-in-lieu of taxes, the Company agrees to comply with all Environmental Laws (as defined therein) applicable to the Facility and will describe the circumstances in which the Agreement may recapture some or all of the benefits granted to the Company; and
- (k) The Equipment Lease Agreement will be an effective instrument whereby the Agency leases the Equipment to the Sublessee; and

(l) The Agency Compliance Agreement will be an effective instrument whereby the Sublessee will provide certain assurances to the Agency with respect to the Facility; and

(m) The Loan Documents to which the Agency is a party will be effective instruments whereby the Agency and the Company agree to secure the loan made to the Company by the Lender.

Section 2. The Agency has assessed all material information included in connection with the Company's and the Sublessee's application for financial assistance, including but not limited to, the cost-benefit analysis prepared by the Agency and such information has provided the Agency a reasonable basis for its decision to provide the financial assistance described herein to the Company and the Sublessee.

Section 3. In consequence of the foregoing, the Agency hereby determines to: (i) lease the Land and the Improvements from the Company pursuant to the Company Lease, (ii) execute, deliver and perform the Company Lease, (iii) sublease and lease the Company Facility to the Company pursuant to the Lease Agreement, (iv) execute, deliver and perform the Lease Agreement, (v) lease the Equipment to the Sublessee pursuant to the Equipment Lease Agreement, (vi) execute, deliver and perform the Equipment Lease Agreement, (vii) execute and deliver the Agency Compliance Agreement, (viii) grant a mortgage on and security interests in and to the Facility pursuant to the Loan Documents, and (ix) execute and deliver the Loan Documents to which the Agency is a party.

Section 4. The Agency is hereby authorized to acquire the real property and personal property described in Exhibit A and Exhibit B, respectively, to the Lease Agreement, and the personal property described in Exhibit A to the Equipment Lease Agreement, and to do all things necessary or appropriate for the accomplishment thereof, and all acts heretofore taken by the Agency with respect to such acquisition are hereby approved, ratified and confirmed.

Section 5. The Agency is hereby authorized to execute and deliver the Loan Documents in connection with the financing of the costs of acquiring, renovating, and equipping the Facility and any future Loan Documents in connection with any future refinancing or permanent financing of such costs of acquiring, renovating, and equipping of the Facility without the need for any further or future approvals of the Agency.

Section 6. The Agency hereby authorizes and approves the following economic benefits to be granted to the Company and the Sublessee in connection with the acquisition, renovation and equipping of the Facility in the form of (i) exemptions from mortgage recording taxes for one or more mortgages securing an amount presently estimated to be \$1,900,000 but not to exceed \$3,800,000, corresponding to mortgage recording tax exemptions presently estimated to be \$14,250, but not to exceed \$28,500, in connection with the financing of the acquisition, renovation and equipping of the Facility and any future financing, refinancing or permanent financing of the costs of acquiring, renovating and equipping of the Facility (ii) exemptions from sales and use taxes in an approximate amount not to exceed \$17,250.00, in connection with the purchase or lease of equipment, building

materials, services or other personal property with respect to the Facility, and (iii) abatement of real property taxes (as set forth in the PILOT Schedule attached as Exhibit A hereof).

This agency appointment expressly excludes the purchase by the Company or the Sublessee of any motor vehicles, including any cars, trucks, vans or buses which are licensed by the Department of Motor Vehicles for use on public highways or streets. The Company and the Sublessee shall indemnify the Agency with respect to any transaction of any kind between and among the agents, subagents, contractors, subcontractors, materialmen, vendors and/or suppliers and the Company and the Sublessee, as agents of the Agency. The aforesaid appointment of the Company and the Sublessee as agents of the Agency to acquire, renovate and equip the Facility shall expire at the earlier of (a) the completion of such activities and improvements, (b) a date which the Agency designates, or (c) the date on which the Company and the Sublessee have received exemptions from sales and use taxes in an amount not to exceed \$17,250.00, in connection with the purchase or lease of equipment, building materials, services or other personal property; provided however, such appointment may be extended at the discretion of the Agency, upon the written request of the Company and/or the Sublessee, if such activities and improvements are not completed by such time.
