The Chief Financial Officer, the Chairman and all officers and employees of the Agency involved in the investment process shall refrain from personal business activity that could conflict with the proper execution of the investment program, or which could impair their ability to make impartial investment decisions. Nothing contained within this Policy however, shall prohibit the Chief Financial Officer, the Chairman, or any other officer or member of the Board, or employee of the Agency from obtaining interests in mutual funds which may include within its investment portfolio, bonds, debentures, notes or other evidence of indebtedness of the Agency; provided however, that the Agency's bonds, debentures, notes or other evidence of indebtedness may not make up more than ten percent (10%) of the mutual fund's total portfolio and the Chief Financial Officer, the Chairman, other officers or Board Members, or employees may not exercise any discretion with respect to the investments made by the mutual fund company.
