(b) The Facility constitutes a "project", as such term is defined in the Act; and

(c) The acquisition, renovation and equipping of the Company Facility, the leasing of the Company Facility to the Company, the subleasing of the Company Facility by the Company to the Sublessee, the acquisition and installation of the Equipment, and the leasing of the Equipment to the Sublessee will promote and maintain the job opportunities, health, general prosperity and economic welfare of the citizens of Town of Islip, and the State of New York and improve their standard of living and thereby serve the public purposes of the Act.

(d) The acquisition, renovation and equipping of the Facility by the Agency is reasonably necessary to induce the Company and the Sublessee to maintain and expand their respective business operations in the Town of Islip.

(e) Based upon the representations of the Company and the Sublessee, the transactions contemplated by the Lease Agreement shall result in the removal of a plant from one area of the State to another area of the State, but the Project and the related financial assistance is reasonably necessary for the Company and the Sublessee to maintain their competitive position in their respective industries by enabling the Company and the Sublessee to utilize a larger facility and to prevent the Company and the Sublessee from relocating to Connecticut or New Jersey.

(f) Based upon representations of the Company, the Sublessee and counsel to the Company and the Sublessee, the Facility conforms with the local zoning laws and planning regulations of the Town of Islip and all regional and local land use plans for the area in which the Facility is located.

(g) It is desirable and in the public interest for the Agency to lease the Company Facility to the Company and the Equipment to the Sublessee; and

(h) The Agency previously determined, pursuant to the Inducement Resolution, that the Facility and the operations conducted therein do not have a significant effect on the environment, as determined in accordance with Article 8 of the Environmental Conservation Law of the State of New York and the regulations promulgated thereunder ("SEQR"), thus completing its review of the Facility under SEQR. No changes have been proposed to the Facility since the time the Agency adopted its Negative Declaration, and therefore, the Agency's obligations under SEQR have been completed; and
(i) The Company Lease will be an effective instrument whereby the Agency leases the Land and the Improvements from the Company; and

(j) The Lease Agreement will be an effective instrument whereby the Agency leases and subleases the Company Facility to the Company, the Agency and the Company set forth the terms and conditions of their agreement regarding payments-in-lieu of taxes, the Company agrees to comply with all Environmental Laws (as defined therein) applicable to the Facility and will describe the circumstances in which the Agency may recapture some or all of the benefits granted to the Company; and

(k) The Equipment Lease Agreement will be an effective instrument whereby the Agency leases the Equipment to the Sublessee; and

(l) The Agency Compliance Agreement will be an effective instrument whereby the Sublessee will provide certain assurances to the Agency with respect to the Facility; and

(m) The Loan Documents to which the Agency is a party will be effective instruments whereby the Agency and the Company agree to secure the loan made to the Company by the Lender.

Section 2. The Agency has assessed all material information included in connection with the Company's and Sublessee's application for financial assistance, including but not limited to, the cost-benefit analysis prepared by the Agency and such information has provided the Agency a reasonable basis for its decision to provide the financial assistance described herein to the Company and the Sublessee.

Section 3. In consequence of the foregoing, the Agency hereby determines to:
(i) lease the Land and the Improvements from the Company pursuant to the Company Lease,
(ii) execute, deliver and perform the Company Lease, (iii) sublease and lease the Company Facility to the Company pursuant to the Lease Agreement, (iv) execute, deliver and perform the Lease Agreement, (v) lease the Equipment to the Sublessee pursuant to the Equipment Lease Agreement, (vi) execute, deliver and perform the Equipment Lease Agreement, (vii) execute and deliver the Agency Compliance Agreement, (viii) grant a mortgage on and security interests in and to the Facility pursuant to the Loan Documents, and (ix) execute and deliver the Loan Documents to which the Agency is a party.

Section 4. The Agency is hereby authorized to acquire the real property and personal property described in Exhibit A and Exhibit B, respectively, to the Lease Agreement, and the personal property described in Exhibit A to the Equipment Lease Agreement and to do all things necessary or appropriate for the accomplishment thereof, and all acts heretofore taken by the Agency with respect to such acquisition are hereby approved, ratified and confirmed.

Section 5. The Agency is hereby authorized to execute and deliver the Loan Documents in connection with the financing of the costs of acquiring, renovating and equipping the Facility and any future Loan Documents in connection with any future refinancing or permanent financing of such costs of acquiring, renovating, constructing and equipping of the Facility without the need for any further or future approvals of the Agency.
Section 6. The Agency hereby authorizes and approves the following economic benefits to be granted to the Company and the Sublessee in connection with the acquisition, renovation, construction and equipping of the Facility in the form of: (i) exemptions from mortgage recording taxes for one or more mortgages securing an amount presently estimated to be $3,709,500 but not to exceed $5,000,000 in connection with the financing of the acquisition, renovation, construction and equipping of the Facility and any future financing, refinancing or permanent financing of the costs of acquiring, renovating, constructing and equipping the Facility, (ii) exemptions from sales and use taxes in an amount not to exceed $82,800.00, in connection with the purchase or lease of equipment, building materials, services or other personal property with respect to the Facility, and (iii) abatement of real property taxes (as set forth in the PILOT Schedule attached as Exhibit A hereof), all consistent with the policies of the Agency.

Section 7. Subject to the provisions of this resolution, the Company and the Sublessee are herewith and hereby appointed the agents of the Agency to acquire, renovate and equip the Facility. The Company and the Sublessee are hereby empowered to delegate their respective status as agent of the Agency to their respective agents, subagents, contractors, subcontractors, materialmen, suppliers, vendors and such other parties as the Company and the Sublessee may choose in order to acquire, renovate, and equip the Facility. The Agency hereby appoints the agents, subagents, contractors, subcontractors, materialmen, vendors and suppliers of the Company and the Sublessee as agents of the Agency solely for purposes of making sales or leases of goods, services and supplies to the Facility, and any such transaction between any agent, subagent, contractor, subcontractor, materialmen, vendor or supplier, and the Company and the Sublessee, as agents of the Agency, shall be deemed to be on behalf of the Agency and for the benefit of the Facility. This agency appointment expressly excludes the purchase by the Company and the Sublessee of any motor vehicles, including any cars, trucks, vans or buses which are licensed by the Department of Motor Vehicles for use on public highways or streets. The Company and the Sublessee shall indemnify the Agency with respect to any transaction of any kind between and among the agents, subagents, contractors, subcontractors, materialmen, vendors and/or suppliers and the Company and the Sublessee, as agent of the Agency. The aforesaid appointment of the Company and the Sublessee as agents of the Agency to acquire, renovate and equip the Facility shall expire at the earlier of (a) the completion of such activities and improvements, (b) a date which the Agency designates, or (c) the date on which the Company and/or the Sublessee have received exemptions from sales and use taxes in an amount not to exceed $82,800.00 in connection with the purchase or lease of equipment, building materials, services or other personal property; provided however, such appointment may be extended at the discretion of the Agency, upon the written request of the Company and/or the Sublessee if such activities and improvements are not completed by such time. The aforesaid appointment of the Company and the Sublessee is subject to the execution of the documents contemplated by this resolution.

Section 8. The Company and the Sublessee are hereby notified that they will be required to comply with Section 875 of the Act. The Company and the Sublessee shall be required to agree to the terms of Section 875 pursuant to the Lease Agreement. The Company and the Sublessee are further notified that the tax exemptions and abatements provided pursuant to the Act and the appointment of the Company and the Sublessee as agents of the Agency pursuant to this Authorizing Resolution are subject to termination and recapture of
benefits pursuant to Sections 859-a and 875 of the Act and the recapture provisions of the Lease Agreement and the Agency Compliance Agreement.

Section 9. The form and substance of the Company Lease, the Lease Agreement, the Equipment Lease Agreement, the Agency Compliance Agreement and the Loan Documents to which the Agency is a party (each in substantially the forms presented to or approved by the Agency and which, prior to the execution and delivery thereof, may be redated and renamed) are hereby approved.

Section 10. The Chairman, Vice Chairman, Executive Director, Deputy Executive Director or any member of the Agency are hereby authorized, on behalf of the Agency, to execute and deliver the Company Lease, the Lease Agreement, the Equipment Lease Agreement, the Agency Compliance Agreement, and the Loan Documents to which the Agency is a party, all in substantially the forms thereof presented to this meeting with such changes, variations, omissions and insertions as the Chairman, Vice Chairman, Executive Director, Deputy Executive Director or any member of the Agency shall approve, and such other related documents as may be, in the judgment of the Chairman and counsel to the Agency, necessary or appropriate to effect the transactions contemplated by this resolution (hereinafter collectively called the “Agency Documents”). The execution thereof by the Chairman, Vice Chairman, Executive Director, Deputy Executive Director or any member of the Agency shall constitute conclusive evidence of such approval.

Section 11. The Chairman, Vice Chairman, Executive Director, Deputy Executive Director or any member of the Agency are further hereby authorized, on behalf of the Agency, to designate any additional Authorized Representatives of the Agency (as defined in and pursuant to the Lease Agreement).

Section 12. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required or provided for by the provisions of the Agency Documents, and to execute and deliver all such additional certificates, instruments and documents, pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolution and to cause compliance by the Agency with all of the terms, covenants and provisions of the Agency Documents binding upon the Agency.

WHEREAS, the Company, the Sublessee and the Operator have agreed to indemnify the Agency against certain losses, claims, expenses, damages and liabilities that may arise in connection with the transaction contemplated by the leasing of the Facility by the Agency to the Company, the Sublessee and the Operator.

NOW, THEREFORE, BE IT RESOLVED by the Agency (a majority of the members thereof affirmatively concurring) as follows:

Section 1. In connection with the acquisition, demolition, construction and equipping of the Facility the Agency hereby makes the following determinations and findings based upon the Agency’s review of the information provided by the Company, the Sublessee
and the Operator with respect to the Facility, including, the Company’s, Sublessee’s and Operator’s Application, the Requisite Materials and other public information:

(a) There is a lack of affordable, safe, clean and modern senior housing in the Town of Islip;

(b) Such lack of senior housing has resulted in individuals leaving the Town of Islip and therefore adversely affecting employers, businesses, retailers, banks, financial institutions, insurance companies, health care and legal services providers and other merchants in the Town of Islip and otherwise adversely impacting the economic health and well-being of the residents of the Town of Islip, employers, and the tax base of the Town of Islip;

(c) The Facility, by providing such senior housing will enable persons to remain in the Town of Islip and thereby to support the businesses, retailers, banks, and other financial institutions, insurance companies, health care and legal services providers and other merchants in the Town of Islip which will increase the economic health and well-being of the residents of the Town of Islip, help preserve and increase permanent private sector jobs in furtherance of the Agency’s public purposes as set forth in the Act, and therefore the Agency finds and determines that the Facility is a commercial project within the meaning of Section 854(4) of the Act;

(d) The Facility will provide services, i.e., senior housing, which but for the Facility, would not otherwise be reasonably accessible to the residents of the Town of Islip.

Section 2. The Agency hereby finds and determines:

(a) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(b) The Facility constitutes a “project”, as such term is defined in the Act; and

(c) The acquisition, demolition, construction and equipping of the Company Facility, the leasing of the Company Facility to the Company, the subleasing of the Company Facility by the Company to the Sublessee for further subleasing, in part, to the Operator, the acquisition and installation of the Equipment, and the leasing of the Equipment to the Sublessee and the Operator will promote and maintain the job opportunities, health, general prosperity and economic welfare of the citizens of Town of Islip, and the State of New York and improve their standard of living and thereby serve the public purposes of the Act.

(d) The acquisition, demolition, construction and equipping of the Facility by the Agency is reasonably necessary to induce the Company, the Sublessee and the Operator to maintain and expand their respective business operations in the Town of Islip.

(e) Based upon representations of the Company, the Sublessee and the Operator and counsel to the Company, the Sublessee and the Operator, the Facility conforms with the local zoning laws and planning regulations of the Town of Islip and all regional and local land use plans for the area in which the Facility is located.

- 6 -
(f) It is desirable and in the public interest for the Agency to lease the Company Facility to the Company and the Equipment to the Sublessee and the Operator; and

(g) The Agency previously determined, pursuant to the Inducement Resolution, that the Facility and the operations conducted therein do not have a significant effect on the environment, as determined in accordance with Article 8 of the Environmental Conservation Law of the State of New York and the regulations promulgated thereunder ("SEQR"), thus completing its review of the Facility under SEQR. No changes have been proposed to the Facility since the time the Agency adopted its Negative Declaration, and therefore, the Agency’s obligations under SEQR have been completed; and

(h) The Company Lease will be an effective instrument whereby the Agency leases the Land and the Improvements from the Company; and

(i) The Lease Agreement will be an effective instrument whereby the Agency leases and subleases the Company Facility to the Company, the Agency and the Company set forth the terms and conditions of their agreement regarding payments-in-lieu of taxes, the Company agrees to comply with all Environmental Laws (as defined therein) applicable to the Facility and will describe the circumstances in which the Agency may recapture some or all of the benefits granted to the Company; and

(j) The Equipment Lease Agreements will be effective instruments whereby the Agency leases the Equipment to the Sublessee and the Operator; and

(k) The Agency Compliance Agreements will be effective instruments whereby the Sublessee and the Operator will provide certain assurances to the Agency with respect to the Facility; and

(l) The Loan Documents to which the Agency is a party will be effective instruments whereby the Agency and the Company agree to secure the loan made to the Company by the Lender.

Section 3. The Agency has assessed all material information included in connection with the Company’s, Sublessee’s and Operator’s application for financial assistance, including but not limited to, the cost-benefit analysis prepared by the Agency and such information has provided the Agency a reasonable basis for its decision to provide the financial assistance described herein to the Company, the Sublessee and the Operator.

Section 4. Section 5. The Agency is hereby authorized to acquire the real property and personal property described in Exhibit A and Exhibit B, respectively, to the Lease Agreement, and the personal property described in Exhibit A to the Equipment Lease Agreements and to do all things necessary or appropriate for the accomplishment thereof, and all acts heretofore taken by the Agency with respect to such acquisition are hereby approved, ratified and confirmed.

Section 6. The Agency is hereby authorized to execute and deliver the Loan Documents in connection with the financing of the costs of acquiring, demolishing, constructing and equipping the Facility and any future Loan Documents in connection with any future refinancing or permanent financing of such costs of acquiring, demolishing, constructing and equipping of the Facility without the need for any further or future approvals of the Agency.

Section 7. The Agency hereby authorizes and approves the following economic benefits to be granted to the Company, the Sublessee and the Operator in connection with the acquisition, demolition, construction and equipping of the Facility in the form of: (i) exemptions from mortgage recording taxes for one or more mortgages securing an amount presently estimated to be $30,000,000 but not to exceed $40,000,000 in connection with the financing of the acquisition, demolition, construction and equipping of the Facility and any future financing, refinancing or permanent financing of the costs of acquiring, demolishing, constructing and equipping the Facility, (ii) exemptions from sales and use taxes in an amount not to exceed $1,851,547.00, in connection with the purchase or lease of equipment, building materials, services or other personal property with respect to the Facility, and (ii) abatement of real property taxes (as set forth in the PILOT Schedule attached as Exhibit A hereof), all consistent with the policies of the Agency.
