1. Fiscal and Economic Impact Summary – Assisted Living and Urgent Care/Retail Use Hauppauge, New York, dated May 21, 2019 by Nelson, Pope & Voorhis, LLC, Environmental Planning Consultants;

2. Letter dated March 18, 2019 by the Suffolk County Alliance of Chambers Inc.;

5. Ryan et al. v. Town of Hempstead Industrial Development Agency et al.; and

WHEREAS, the Agency’s Uniform Tax Exemption Policy (“UTEP”), which such UTEP is annexed hereto as Exhibit D, provides for the granting of financial assistance by the Agency for housing projects pursuant to Section I.A.4.; and

WHEREAS, the Agency has given due consideration to the application of the Company, the Sublessee and the Operator and to representations by the Company, the Sublessee and the Operator that the proposed financial assistance is either an inducement to the Company, the Sublessee and the Operator to maintain the Facility in the Town of Islip or is necessary to maintain the competitive position of the Company, the Sublessee and the Operator in their respective industries; and

WHEREAS, the Company, the Sublessee and the Operator will agree to indemnify the Agency against certain losses, claims, expenses, damages and liabilities that may arise in connection with the transaction contemplated by the leasing of the Facility by the Agency to the Company, the Sublessee and the Operator.

WHEREAS, pursuant to Article 8 of the Environmental Conservation Law and the regulations adopted pursuant thereto by the Department of Environmental Conservation of the State of New York (collectively, the “SEQR Act” or “SEQR”), the Agency constitutes a “State Agency”; and

WHEREAS, to aid the Agency in determining whether the Facility may have a significant effect upon the environment, the Company and Sublessee have prepared and submitted to the Agency an Environmental Assessment Form and related documents (the
"Questionnaire") with respect to the Facility, a copy of which is on file at the office of the Agency; and

WHEREAS, the Questionnaire has been reviewed by the Agency.

NOW, THEREFORE, BE IT RESOLVED by the Town of Islip Industrial Development Agency (a majority of the members thereof affirmatively concurring) that:

Section 1. Based upon the Environmental Assessment Form completed by the Company, the Sublessee and the Operator and reviewed by the Agency and other representations and information furnished by the Company, the Sublessee and the Operator regarding the Facility, the Agency determines that the action relating to the acquisition, demolition, construction, equipping, and operation of the Facility is an "unlisted" action, as that term is defined in the SEQR Act. The Agency also determines that the action will not have a "significant effect" on the environment, and, therefore, an environmental impact statement will not be prepared. This determination constitutes a negative declaration for purposes of SEQR. Notice of this determination shall be filed to the extent required by the applicable regulations under SEQR or as may be deemed advisable by the Chairman or Executive Director of the Agency or counsel to the Agency.

Section 2. In connection with the acquisition, demolition, construction and equipping of the Facility the Agency hereby makes the following determinations and findings based upon the Agency's review of the information provided by the Company, the Sublessee and the Operator with respect to the Facility, including, the Company's, Sublessee's and Operator's application for financial assistance, the Requisite Materials and other public information:

(a) There is a lack of affordable, safe, clean and modern senior housing in the Town of Islip, Suffolk County;

(b) Such lack of senior housing has resulted in individuals leaving the Town of Islip and therefore adversely affecting employers, businesses, retailers, banks, financial institutions, insurance companies, health and legal services providers and other merchants in the Town of Islip and otherwise adversely impacting the economic health and well-being of the residents of the Town of Islip, employers, and the tax base of the Town of Islip;

(c) The Facility, by providing such senior housing will enable persons to remain in the Town of Islip and thereby to support the businesses, retailers, banks, and other financial institutions, insurance companies, health care and legal services providers and other merchants in the Town of Islip which will increase the economic health and well-being of the residents of the Town of Islip, help preserve and increase permanent private sector jobs in furtherance of the Agency's public purposes as set forth in the Act, and therefore the Agency finds and determines that the Facility is a commercial project within the meaning of Section 854(4) of the Act;
(d) The Facility will provide services, i.e., senior housing, which but for the Facility, would not otherwise be reasonably accessible to the residents of the Town of Islip.

Section 3. The acquisition, demolition, construction and equipping of the Facility by the Agency, the subleasing and leasing of the Company Facility to the Company for further subleasing to the Sublessee, the leasing of the Equipment to the Sublessee and the Operator and the provision of financial assistance pursuant to the Act will promote job opportunities, health, general prosperity and the economic welfare of the inhabitants of the Town of Islip and the people of the State of New York and improve their standard of living, and thereby serve the public purposes of the Act, and the same is, therefore, approved.

Section 4. Subject to the provisions of this resolution, the Agency shall (i) acquire, demolish, construct and equip the Facility; (ii) lease and sublease the Company Facility to the Company; and (iii) lease the Equipment to the Sublessee and the Operator.

Section 5. The Company, the Sublessee and the Operator are hereby notified that they will be required to comply with Section 875 of the Act. The Company shall be required to agree to the terms of Section 875 pursuant to the Lease and Project Agreement, dated a date to be determined (the “Lease Agreement”), by and between the Company and the Agency. The Sublessee shall be required to agree to the terms of Section 875 pursuant to the Agency Compliance Agreement, dated a date to be determined (the “Strathmore Agency Compliance Agreement”), by and between the Sublessee and the Agency. The Operator shall be required to agree to the terms of Section 875 pursuant to the Agency Compliance Agreement, dated a date to be determined (the “Wheeler Agency Compliance Agreement”); and together with the Strathmore Agency Compliance Agreement, the “Agency Compliance Agreements”), by and between the Operator and the Agency. WHEREAS, based upon the representations of the Company and the Sublessee in the Application for financial assistance filed by the Company and the Sublessee with the Agency (the “Application”), the closure of the plant is reasonably necessary for the Company and the Sublessee to maintain a competitive position in their respective industries by enabling the Company and the Sublessee to utilize a larger facility and to prevent the Company and the Sublessee from relocating to Connecticut or New Jersey and therefore not subject to the prohibitions contained in Section 862 of the Act; and

WHEREAS, in accordance with Section 859-a(5)(d) of the Act, the Agency will notify the chief executive officers of the Town of Babylon and Suffolk County of the removal of the Sublessee’s facility in Deer Park, New York and its relocation to the Town of Islip; and
WHEREAS, the Agency has given due consideration to the application of the Company and the Sublessee and to representations by the Company and the Sublessee that the proposed financial assistance is either an inducement to the Company and the Sublessee to maintain the Facility in the Town of Islip or is necessary to maintain the competitive position of the Company and the Sublessee in their respective industries; and

WHEREAS, the Company and the Sublessee will agree to indemnify the Agency against certain losses, claims, expenses, damages and liabilities that may arise in connection with the transaction contemplated by the leasing of the Facility by the Agency to the Company and the Sublessee.

WHEREAS, to aid the Agency in determining whether the Facility may have a significant effect upon the environment, the Company and Sublessee have prepared and submitted to the Agency an Environmental Assessment Form and related documents (the “Questionnaire”) with respect to the Facility, a copy of which is on file at the office of the Agency; and

WHEREAS, the Questionnaire has been reviewed by the Agency.

NOW, THEREFORE, BE IT RESOLVED by the Town of Islip Industrial Development Agency (a majority of the members thereof affirmatively concurring) that:

Section 1. Based upon the Environmental Assessment Form completed by the Company and the Sublessee and reviewed by the Agency and other representations and information furnished by the Company and the Sublessee regarding the Facility, the Agency determines that the action relating to the acquisition, renovation, construction, equipping, and operation of the Facility is an “unlisted” action, as that term is defined in the SEQR Act. The Agency also determines that the action will not have a “significant effect” on the environment, and, therefore, an environmental impact statement will not be prepared. This determination constitutes a negative declaration for purposes of SEQR. Notice of this determination shall be filed to the extent required by the applicable regulations under SEQR or as may be deemed advisable by the Chairman or Executive Director of the Agency or counsel to the Agency.

Section 2. The acquisition, renovation, construction and equipping of the Facility by the Agency, the subleasing and leasing of the Company Facility to the Company for further subleasing to the Sublessee, the leasing of the Equipment to the Sublessee and the provision of financial assistance pursuant to the Act will promote job opportunities, health, general prosperity and the economic welfare of the inhabitants of the Town of Islip and the people of the State of New York and improve their standard of living, and thereby serve the public purposes of the Act, and the same is, therefore, approved.
Section 3. Based upon the representations of the Company and the Sublessee, the transactions contemplated by the Lease Agreement (as hereinafter defined) shall result in the removal of a plant from one area of the State to another area of the State, but the Project and the related financial assistance is reasonably necessary to discourage the Facility occupants from removing a facility or plant to a location outside of the State.

Section 4. Subject to the provisions of this resolution, the Agency shall (i) acquire, renovate, construct and equip the Facility; (ii) lease and sublease the Company Facility to the Company; and (iii) lease the Equipment to the Sublessee.

Section 5. The Company and the Sublessee are hereby notified that they will be required to comply with Section 875 of the Act. The Company shall be required to agree to the terms of Section 875 pursuant to the Lease and Project Agreement, dated a date to be determined (the “Lease Agreement”), by and between the Company and the Agency. The Sublessee shall be required to agree to the terms of Section 875 pursuant to the Agency Compliance Agreement, dated a date to be determined (the “Agency Compliance Agreement”), by and between the Sublessee and the Agency. The Company and the Sublessee are further notified that the tax exemptions and abatements provided pursuant to the Act and the appointment of the Company and the Sublessee as agents of the Agency pursuant to this resolution are subject to termination and recapture of benefits pursuant to Sections 859-a and 875 of the Act and the recapture provisions of the Lease Agreement and the Agency Compliance Agreement.

Section 6. Counsel to the Agency is authorized and directed to work with Transaction Counsel (Nixon Peabody LLP) to prepare, for submission to the Agency, all documents necessary to affect the transfer of the real estate described in the foregoing resolution.

Section 7. The Chairman, the Executive Director, the Deputy Executive Director and all members of the Agency are hereby authorized and directed (i) to distribute copies of this resolution to the Company and the Sublessee, and (ii) to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this resolution.

Section 8. Any expenses incurred by the Agency with respect to the Facility, including the expenses of Transaction Counsel, shall be paid by the Company and the Sublessee. The Company and the Sublessee agree to pay such expenses and further agree to indemnify the Agency, its members, directors, employees and agents and hold the Agency and such persons harmless against claims for losses, damage or injury or any expenses or damages incurred as a result of action taken by or on behalf of the Agency in good faith with respect to the Facility.

Section 3. Subject to the provisions of this resolution, the Agency shall (i) acquire, renovate and equip the Facility; (ii) lease and sublease the Company Facility to the Company; and (iii) lease the Equipment to the Sublessee.

Section 4. The Company and the Sublessee are hereby notified that they will be required to comply with Section 875 of the Act. Section 5. Counsel to the Agency is authorized and directed to work with Transaction Counsel (Nixon Peabody LLP) to prepare, for submission to the Agency, all
documents necessary to affect the transfer of the real estate described in the foregoing resolution.

Section 6. The Chairman, the Executive Director, the Deputy Executive Director and all members of the Agency are hereby authorized and directed (i) to distribute copies of this resolution to the Company and the Sublessee, and (ii) to do such further things or perform such acts as may be necessary or convenient to implement the provisions of this resolution.

Section 7. Any expenses incurred by the Agency with respect to the Facility, including the expenses of Transaction Counsel, shall be paid by the Company and the Sublessee. The Company and the Sublessee agree to pay such expenses and further agree to indemnify the Agency, its members, directors, employees and agents and hold the Agency and such persons harmless against claims for losses, damage or injury or any expenses or damages incurred as a result of action taken by or on behalf of the Agency in good faith with respect to the Facility.
