ARTICLE I. SCOPE AND PURPOSE

Pursuant to Section 2824 of the Public Authorities Law, the Town of Islip Industrial Development Agency (the Agency) is required to establish and adopt a procurement policy which will apply to the procurement for goods and services not subject to the competitive bidding requirements set forth in General Municipal Law section 103 and which goods and services are paid for and used by the Agency. The primary objectives of this Procurement Policy (the Policy) are to assure the prudent and economical use of public monies in the best interests of the taxpayers in the Town of Islip, to facilitate the acquisition of goods and services of maximum quality at the lowest possible cost under the circumstances, and to guard against favoritism, improvidence, extravagance, fraud and corruption.

ARTICLE II. PROCUREMENT PROCEDURE

1. PROCUREMENT SUBJECT TO COMPETITIVE BIDDING. In order to determine if the procurement of goods or services is subject to competitive bidding, the Chairman or an authorized designee shall:

   a. Make an initial determination as to whether the expenditure will be (i) more than $35,000 for the performance of a public works contract (services, labor or construction) or (ii) more than $20,000 for any purchase contract (commodities, materials, supplies or equipment).

   b. Review the purchase request against prior year's expenditures and shall make a good faith effort to determine whether it is known or can reasonably be expected that the aggregate purchases of a similar nature will exceed the dollar amounts set forth in paragraph (a) of this Section. If so, the procurement will be subject to competitive bidding.

2. DETERMINATION. If the procurement is not subject to competitive bidding, as determined in section (1) above, then prior to commencing any procurement of goods and services, the Chairman or an authorized designee shall prepare a written statement setting forth a determination that (a) competitive bidding is not required for such procurement, and, if applicable, (b) such procurement is not subject to the requirements of this Policy. Such written statements shall be maintained in a specially designated file at the Agency offices and shall also be filed with the purchase order or contract of the goods or services.

3. PROCEDURES FOR THE PURCHASE OF GOODS UNDER $20,000.

   a. $0.01 - $500 May be purchase at the discretion of the Chairman or the authorized designee.

   b. $501 - $3,000 Upon Agency approval, may be purchased from the vendor...
providing the lowest quote after receiving and documenting at least three (3) verbal quotes.

c. $3,000 - $19,999 Upon Agency approval, may be purchased from the vendor providing the lowest quote after receiving at least three (3) written, faxed, or e-mailed quotes.

4. PROCEDURES FOR THE PURCHASE OF PUBLIC WORKS OR SERVICES UNDER $35,000.

b. $1,001 - $5,000 Upon Agency approval, may be purchased after receiving and documenting at least three (3) verbal quotes.

c. $5,001 - $34,999 Upon Agency approval, may be purchased from the vendor providing the lowest quote after receiving at least three (3) written, faxed, or e-mailed quotes.

5. QUOTES.

b. Verbal Quote. The documentation of a verbal quote shall include, at a minimum, the date, item or service desired, price quoted, name of vendor, name of vendor=s representative, if any, delivery or service date.

c. Written Quote. The Vendor should provide, at a minimum, the date, description of item or details of service, price quoted, name of vendor, contact information, delivery or service date.

d. Award of Contract. Contracts shall be awarded to the lowest responsible vendor whose goods and/or services meet the specifications.

6. CIRCUMSTANCES JUSTIFYING AN AWARD TO OTHER THAN LOWEST QUOTE.

a. Delivery or service requirements.
b. Specification requirements.
c. Quality.

e. Unavailability of three (3) or more vendors who are able to provide a quote.
f. It is in the best interests of the Agency to consider only one vendor who has previous expertise with respect to the particular procurement.

When an award is made to a vendor who did not provide the lowest quote, the reason why it is in the best interests of the Agency must be set forth and justified in writing, by the Chairman or an authorized designee, and maintained in a specially designated file at the Agency Offices and shall also be filed with the purchase order or contract of the goods or services.
ARTICLE III. **Exceptions from Bidding.**

1. **Emergency.** An emergency exists if the delay caused by soliciting quotes would endanger the health, welfare or property of the municipality or of the citizens. With approval of the Chairman, such emergency shall not be subject to competitive bidding or the procedures stated herein. The Chairman shall obtain a verbal quote, at a minimum, which shall be documented and shall also include a description of the facts giving rise to the emergency and that it meets the criteria set forth herein. Said documentation may also include the opinions of Counsel regarding the exception from bidding.

2. **Professional Services.** This category includes services which require special education and/or training, license to practice or are creative in nature. Examples include: lawyers, doctors, accountants, engineers, artists, etc. The Agency may seek Requests for Proposals for such services. In its selection, the Agency should consider cost, experience, expertise, reputation, staffing, location and suitability for the needs of the Agency. The Chairman shall prepare, in writing, the basis for the selection and the description of the professional service. Said documentation may also include the opinions of Counsel regarding the exception from bidding.

3. **Sole Sources.** In this situation, there is only one possible source from which to procure goods and/or services and it is shown that the item needed has unique benefits compared to other goods and/or services available in the marketplace; no other item provides substantially equivalent or similar benefits; and considering the benefits the cost is reasonable. The Agency should adopt a resolution describing the goods and/or services and waiving the bidding requirements prior to procurement and should provide evidence that, as a matter of fact, there is no competition available. Said documentation may also include the opinions of Counsel regarding the exception from bidding.

4. **True Lease.** The Chairman shall obtain written quotes and shall prepare a cost benefit analysis of leasing versus purchasing. Said documentation may also include the opinions of Counsel regarding the exception from bidding.

5. **Insurance.** The Chairman shall, at a minimum, obtain several verbal quotes, as defined herein. An analysis regarding why a particular selection was made should be prepared and documented. Said documentation may also include the opinions of Counsel regarding the exception from bidding.
ARTICLE IV.  MISCELLANEOUS.

1.  The Agency shall annually review this Policy.

2.  The unintentional failure to comply with the provisions of this Policy and the applicable law shall not be grounds to void action taken or give rise to a cause of action against the Agency or any director, officer, member or employee thereof.

This Policy was duly adopted by the IDA Board of Directors on January 15, 2019.

INDUSTRIAL DEVELOPMENT AGENCY
CONFLICT OF INTEREST POLICY

Conflicts of Interest: A conflict of interest is a situation in which the financial, familial, or personal interests of a director or employee come into actual or perceived conflict with their duties and responsibilities with the Town of Islip Industrial Development Agency ("Agency"). Perceived conflicts of interest are situations where there is the appearance that a board member and/or employee can personally benefit from actions or decisions made in their official capacity, or where a board member or employee may be influenced to act in a manner that does not represent the best interests of the Agency. The perception of a conflict may occur if circumstances would suggest to a reasonable person that a board member may have a conflict. The appearance of a conflict and an actual conflict should be treated in the same manner for the purposes of this Policy.

Board members and employees must conduct themselves at all times in a manner that avoids any appearance that they can be improperly or unduly influenced, that they could be affected by the position of or relationship with any other party, or that they are acting in violation of their public trust. While it is not possible to describe or anticipate all the circumstances that might involve a conflict of interest, a conflict of interest typically arises whenever a director or employee has or will have:

- A financial or personal interest in any person, firm, corporation or association which has or will have a transaction, agreement or any other arrangement in which the Agency participates.

- The ability to use his or her position, confidential information or the assets of the Agency, to his or her personal advantage.

- Solicited or accepted a gift of any amount under circumstances in which it could reasonably be inferred that the gift was intended to influence him/her, or could reasonably be expected to influence him/her, in the performance of his/her official duties or was intended as a reward for any action on his/her part.

- Any other circumstance that may or appear to make it difficult for the board member or employee to exercise independent judgment and properly exercise his or her official duties.

Outside Employment of Agency’s Employees: No employee may engage in outside employment if such employment interferes with his/her ability to properly exercise his or her official duties with the Agency.
PROCEDURES

Duty to Disclose: All material facts related to the conflicts of interest (including the nature of the interest and information about the conflicting transaction) shall be disclosed in good faith and in writing to the Governance Committee. Such written disclosure shall be made part of the official record of the proceedings of the Agency.

Determining Whether a Conflict of Interest Exists: The Governance Committee shall advise the individual who appears to have a conflict of interest how to proceed. The Governance Committee should seek guidance from counsel or New York State agencies, such as the Authorities Budget Office, State Inspector General or the Joint Commission on Public Ethics (“JCOPE”) when dealing with cases where they are unsure of what to do.

Recusal and Abstention: No board member or employee may participate in any decision or take any official action with respect to any matter requiring the exercise of discretion, including discussing the matter and voting, when he or she knows or has reason to know that the action could confer a direct or indirect financial or material benefit on himself or herself, a relative, or any organization in which he or she is deemed to have an interest. Board members and employees must recuse themselves from deliberations, votes, or internal discussion on matters relating to any organization, entity or individual where their impartiality in the deliberation or vote might be reasonably questioned, and are prohibited from attempting to influence other board members or employees in the deliberation and voting on the matter.

Records of Conflicts of Interest: The minutes of the Agency’s meetings during which a perceived or actual conflict of interest is disclosed or discussed shall reflect the name of the interested person, the nature of the conflict, and a description of how the conflict was resolved.

Reporting of Violations: Board members and employees should promptly report any violations of this policy to Executive Officer or counsel to the Agency.

Town of Islip Industrial Development Agency

Property Disposition Policy

In keeping with the policy of maintaining the highest standards of conduct and ethics and to operate in the most accountable and open manner, the Town of Islip Industrial Development Agency (the “Agency”) will maintain adequate inventory controls and accountability systems for all Property (as such term is defined below) under its control. Furthermore, the Agency will Dispose (as such term is defined below) of Property in compliance with any applicable Law, Rule or Regulation (as such term is defined below). Failure to follow the provisions of this Property Disposition Policy will result in disciplinary action including possible termination of employment, dismissal from one’s board or agent duties and possible civil or criminal prosecution if warranted.

Definitions

Contracting Officer shall mean the Executive Director of the Agency.

Dispose, Disposed or Disposal shall mean the transfer of title or any other beneficial interest in personal or real property in accordance with Section 2897 of the New York Public Authorities Law.

Law, Rule or Regulation: Any duly enacted statute, or ordinance or any rule or regulation promulgated pursuant to any federal, state or local statute or ordinance.

Property shall mean (a) personal property in excess of five thousand dollars ($5,000.00) in value, (b) real property, and (c) any inchoate or other interest in such property, to the extent that such interest may be conveyed to another person for any purpose, excluding an interest securing a loan or other financial obligation of another party.

Operative Policy

Inventory Controls and Accountability Systems

The Contracting Officer of the Agency shall be responsible for the Agency’s compliance with this Property Disposition Policy and the supervision and control of all Property Disposed of by the Agency. In addition, the Contracting Officer shall have the responsibility to insure the Agency operates in compliance with Article 9 Title 5-A of the New York Public Authorities Law, including creating and maintaining adequate inventory controls and accountability systems for all Property under the control of the Agency and periodically inventorying such property to determine which, if any, property should be Disposed by the Agency. The Contracting Officer shall recommend to the Board any Property he or she deems suitable for Disposal.
Disposition of Property

Unless otherwise authorized by this Policy, the Agency shall Dispose of Property for not less than fair market value ("FMV") by sale, exchange, or transfer, for cash, credit, or other property, with or without warranty, and upon such terms and conditions as the Contracting Officer deems proper. Provided, however, that no disposition of real property, any interest in real property, or any other Property which because of its unique nature is not subject to fair market pricing shall be made unless an appraisal of the value of such Property has been made by an independent appraiser and included in the record of the transaction.

Unless otherwise authorized by this Policy, prior to disposing of Property or entering into a contract for the Disposal of Property, the Agency shall publicly advertise for bids for such Disposal or contract for Disposal. The advertisement for bids shall be made at such a time prior to the Disposal or contract for Disposal, through such methods, and on such terms and conditions as shall permit full and free competition consistent with the value and nature of the Property. Such advertisement shall include the date, time and place the bids will be publicly disclosed by the Agency. The Agency shall award the contract with reasonable promptness to the most responsible bidder whose bid, conforming to the invitation for bids, is most advantageous to New York State (the "State"), price and other factors considered; provided, however, that Agency reserves the right to reject all such bids when it is in the public interest to do so.

The Agency may Dispose of Property or enter into contracts for the disposal of Property via negotiation or public auction without regard to the two (2) paragraphs immediately above, but subject to obtaining such competition as is feasible under the circumstances, if:

(i) the personal property involved is of a nature and quantity which, if Disposed of under the first two (2) paragraphs of this section, would adversely affect the state or local market for such Property, and the estimated FMV of such Property and other satisfactory terms of the Disposal can be obtained by negotiation;

(ii) the FMV of the Property does not exceed fifteen thousand dollars ($15,000.00);

(iii) bid prices after advertising therefore are not reasonable, either as to all or some part of the Property, or have not been independently arrived at in open competition;

(iv) the Disposal is to the State or any political subdivision of the State, and the estimated FMV of the Property and other satisfactory terms of the Disposal are obtained by negotiation;

(v) the Disposal is for an amount less than the estimated FMV of the Property, the terms of such Disposal are obtained by public auction or negotiation, the Disposal of the Property is intended to further the public health, safety or welfare or an economic development interest of the State or a political subdivision of the State, including but not limited to, the prevention or
remediation of a substantial threat to public health or safety, the creation or retention of a substantial number of job opportunities, or the creation or retention of a substantial source of revenues, and the purpose and terms of the Disposal are documented in writing and approved by resolution of the Board; or

(vi) such Disposal or related action is otherwise authorized by law.

The Agency shall file an explanatory statement with the comptroller, the director of the division of budget, the commissioner of general services and the legislature not less than ninety (90) days before the Agency Disposes the Property if the Property is personal property in excess of $15,000, or real property that has a fair market value in excess of $100,000. When the Property is Disposed by lease (or exchange), then the Agency shall file an explanatory statement when the Property is real property leased for a term of five (5) years or less with an estimated fair annual rent exceeding one-hundred thousand ($100,000.00) in any given year, real property leased for a term greater than five (5) years with an estimated fair annual rent exceeding one-hundred thousand ($100,000.00) for the entire lease term; or any real property or real and related personal property Disposed of by exchange, regardless of value, or any property any part of the consideration for which is real property.

**Reporting Requirements**

**Annual Report**

The Agency shall publish, at least annually, an Annual Report (the “Annual Report”) listing all Property consisting of real property of the Agency. In addition, the Annual Report shall include a list and full description of all Property consisting of real and personal property Disposed of during such period covered by the Annual Report. The Annual Report shall include the price received by the Agency for the Property, in addition to the name of the purchaser for all such Property sold by the Agency during such period covered by the Annual Report.

The Agency shall deliver copies of the Annual Report with the comptroller, the director of the division of budget, the commissioner of general services and the legislature, and to the extent practicable, post such Annual Report on its website.

**Property Disposition Policy**

The Agency shall review and approve this Property Disposition Policy annually by resolution of the Board. On or before March 31 of each year, the Agency shall file with the Comptroller a copy of its Property Disposition Policy, including the name of the Contracting Officer appointed by the Agency.
