Section 1. Based upon the Environmental Assessment Form completed by the Company and the Sublessee and reviewed by the Agency and other representations and information furnished by the Company regarding the Facility, the Agency determines that the action relating to the acquisition, renovation, equipping and operation of the Facility is an “unlisted” action, as that term is defined in the SEQR Act. The Agency also determines that the action will not have a “significant effect” on the environment, and, therefore, an environmental impact statement will not be prepared. This determination constitutes a negative declaration for purposes of SEQR. Notice of this determination shall be filed to the extent required by the applicable regulations under SEQR or as may be deemed advisable by the Chairman or Executive Director of the Agency or counsel to the Agency.

Section 2. The acquisition, renovation and equipping of the Facility by the Agency, the leasing thereof to the Company and the subleasing thereof to the Sublessee, and the provision of financial assistance pursuant to the Act will promote job opportunities, health, general prosperity and the economic welfare of the inhabitants of the Town of Islip and the people of the State of New York and improve their standard of living, and thereby serve the public purposes of the Act, and the same is, therefore, approved.

Section 3. The form and substance of a proposed inducement agreement (in substantially the form presented to this meeting) by and among the Agency, the Company and the Sublessee setting forth the undertakings of the Agency, the Company and the Sublessee with respect to the development of the Facility (the “Agreement”) is hereby approved. The Executive Director of the Agency is hereby authorized, on behalf of the Agency, to execute and deliver the Agreement, with such changes in terms and form as the Executive Director shall approve. The execution thereof by the Executive Director shall constitute conclusive evidence of such approval.

Section 4. Subject to the conditions set forth in Section 4.02 of the Agreement, the Agency shall (i) acquire, renovate and equip the Facility, and (ii) lease (with an obligation to purchase) or sell the Facility to the Company.

Section 5. Sublessee, marked as Exhibit C to this resolution, which is incorporated herein by reference. This agency appointment expressly excludes the purchase by the Company and the Sublessee of any motor vehicles, including any cars, trucks, vans or buses which are licensed by the Department of Motor Vehicles for use on public highways or streets. The Company and the Sublessee shall indemnify the Agency with respect to any transaction of any kind between and among the agents, subagents, contractors, subcontractors, materialmen, vendors and/or suppliers and the Company and the Sublessee, as agent(s) of the Agency. The aforesaid appointment of the Company and the Sublessee as agent(s) of the Agency to acquire, renovate and equip the Facility shall expire at the earlier of (a) the completion of such activities and improvements, or (b) the date on which the Agency designates, or (c) the date on which the Company and/or the Sublessee purchases or leases equipment, building materials, services or other personal property in an amount currently estimated to be $1,100,000 provided however, such appointment may be extended at the discretion of the Agency, upon the written request of the Company and/or the Sublessee if such activities and improvements are not completed by such time. The aforesaid appointment of the Company and the Sublessee is subject to the Agency conducting a public hearing following public notice thereof as required by the Act and the adoption by the Agency of a ratification resolution after such public hearing has been held and minutes thereof have been made available to the members of the Agency to aid in their deliberations.

Section 6. The Agency hereby authorizes and approves the following economic benefits to be granted to the Company and the Sublessee in connection with the acquisition, construction and equipping of the Facility in the form of (i) exemptions from mortgage recording taxes for one or more mortgages securing the principal amount presently estimated to be $3,782,000 but not to exceed $4,000,000 in connection with the financing of the acquisition, renovation and equipping of the Facility and any future financing, refinancing or permanent financing of the costs of acquiring, renovating and equipping the Facility, (ii) exemptions from sales and use taxes in connection with the purchase or lease of equipment, building materials, services or other personal property in an amount not to exceed $1,100,000 (as set forth in the Form of Sales Tax Letter set forth as Exhibit C hereof), and (iii) abatement of real property taxes (as set forth in the PILOT Schedule attached as Exhibit D hereof), consistent with the policies of the Agency.

Section 8. Counsel to the Agency is authorized and directed to work with Transaction Counsel (Nixon Peabody LLP) to prepare, for submission to the Agency, all documents necessary to affect the transfer of the real estate described in the foregoing resolution.
