B. Fee Structure

1. Application Fee—$1,000.00
   An application for IDA assistance must be accompanied by a non-refundable fee of
   $1,000 plus a $500 fee for the Town of Islip review of Environmental Assessment
   Form as required by the State Environmental Quality Review Act (SEQRA). (The
   $500 fee will be waived if the applicant's project has already undergone a SEQRA
   review during a previous process, i.e. site plan, building permit, change of zone, etc.)

2. Agency Fee—.006 (for low-cost project, there will be a minimum fee of $5,000)
   Upon closing of any IDA project, the Agency will assess an administrative fee of
   one-half of a basis point (.006) against the size of the project. For IDB projects,
   the .006 will be measured against the final bond amount. For straight-lease transac-
   tions, the .006 will be measured against the projected total costs.

3. Agency Counsel—$250 per hour
   The Town of Islip Town Attorney's Office acts as counsel to the Town of Islip
   IDA and must be reimbursed for time spent on IDA-related transactions. The
   Agency counsel bills all time spend on IDA matters at $250 per hour. For IDA clos-
   ings up to $5 million, the Agency counsel bills a minimum of $3,500. For projects
   greater than $5 million, the Agency counsel bills a minimum of $5,000. For all other
   activities, i.e. terminations, simple consents and waivers, transfer of assets, etc., the
   Agency counsel will bill at the aforementioned $250 per hour.

4. Processing Fee—$500
   During the course of IDA ownership/involvement, the Agency may occasionally be
   required, by the company, to consent to a variety of items, i.e. pre-payment of
   bonds, second mortgages, additional secured financing, etc. The Agency will charge
   a $500 processing fee for each of these requests.

5. Assignments & Assumptions—$1,500
   Occasionally, the IDA is asked to transfer benefits that were assigned to the original
   company, i.e. PILOT or mortgage recording tax benefits, to a different company,
   typically upon a sale of the IDA property. The new company often wishes to con-
   tinue IDA involvement with the property in order to retain the IDA incentives.
   The Agency will charge a $1,500 fee for each of these transactions.

6. PILOT Extensions/Modifications—.006
   Occasionally, the Agency is asked to extend or modify an existing Payment in Lieu
   of Taxes Agreement (PILOT). The .006 will be measured against the projected in-
   crease of the PILOT benefit.
VI. CERTIFICATIONS

B. Fee Structure

7. Annual Administrative Fee—$1,000
An Annual Administrative Fee of $1,000 will be charged to all projects to cover the cost of all the reporting and monitoring of the transaction. This fee is subject to periodic review and may be adjusted at the discretion of the Agency.

8. Bond/Transaction Counsel—fee negotiated separately
While the Town of Islip IDA is represented locally by the Town of Islip Town Attorney’s Office, a separate Bond/Transaction Counsel is also necessary on any IDA project. Bond/Transaction counsels render “third party” opinions that the bond or straight lease transaction is authorized under all federal, state and local statutes. Bond/Transaction counsels also prepare all documents related to IDA transactions and coordinates all activities leading up to closing. The Town of Islip IDA has designed the firm of Nixon Peabody, LLP as its Bond/Transaction counsel and all fees are separately negotiated with them.

I have read and understand the aforementioned explanation of the fees associated with all the Town of Islip Industrial Agency Transaction.
