3. Vision Long Island Letter, dated August 2, 2017;

NOW, THEREFORE, BE IT RESOLVED by the Agency (a majority of the members thereof affirmatively concurring) as follows:

Section 1. In connection with the acquisition, renovation and equipping of the Facility the Agency hereby makes the following determinations and findings based upon the Agency's review of the information provided by the Company with respect to the Facility, including, the Company's Application, the Requisite Materials and other public information:

(a) There is a lack of affordable, safe, clean and modern rental housing in the Town of Islip;

(b) Such lack of rental housing has resulted in individuals leaving the Town of Islip and therefore adversely affecting employers, businesses, retailers, banks, financial institutions, insurance companies, health and legal services providers and other merchants in the Town of Islip and otherwise adversely impacting the economic health and well-being of the residents of the Town of Islip, employers, and the tax base of the Town of Islip;

(c) The Facility, by providing such rental housing will enable persons to remain in the Town of Islip and thereby to support the businesses, retailers, banks, and other financial institutions, insurance companies, health care and legal services providers and other merchants in the Town of Islip which will increase the economic health and well-being of the residents of the Town of Islip, help preserve and increase permanent private sector jobs in furtherance of the Agency's public purposes as set forth in the Act, and therefore the Agency finds and determines that the Facility is a commercial project within the meaning of Section 854(4) of the Act;

(d) The Facility will provide services, i.e., rental housing, which but for the Facility, would not otherwise be reasonably accessible to the residents of the Town of Islip.

Section 2. The Agency hereby finds and determines:

(a) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act; and

(b) The Facility constitutes a “project”, as such term is defined in the Act; and

(c) The acquisition, renovation and equipping of the Facility and the leasing and subleasing of the Facility to the Company will promote and maintain the job opportunities, health, general prosperity and economic welfare of the citizens of Town of Islip, and the State of New York and improve their standard of living and thereby serve the public purposes of the Act; and

(d) The acquisition, renovation and equipping of the Facility is reasonably necessary to induce the Company to maintain and expand its business operations in the State of New York; and

(e) Based upon representations of the Company and counsel to the Company, the Facility conforms with the local zoning laws and planning regulations of the Town of Islip, Suffolk County, and all regional and local land use plans for the area in which the Facility is located; and

(f) The Facility and the operations conducted therein do not have a significant effect on the environment, as determined in accordance with Article 8 of the Environmental Conservation Law of the State of New York and the regulations promulgated thereunder; and

(g) It is desirable and in the public interest for the Agency to sublease the Land and the Improvements and to lease the Equipment to the Company; and

(h) The Company Lease will be an effective instrument whereby the Agency leases the Land and the Improvements from the Company; and

(i) The Lease Agreement will be an effective instrument whereby the Agency leases and subleases the Facility to the Company, the Agency and the Company set forth the terms and conditions of their agreement regarding payments-in-lieu of taxes, the Company agrees to comply with all Environmental Laws (as defined therein) applicable to the Facility and will describe the circumstances in which the Agreement may recapture some or all of the benefits granted to the Company; and

(j) The Loan Documents to which the Agency is a party will be effective instruments whereby the Agency and the Company agree to secure the loan made to the Company by the Lender

Section 3. The Agency has assessed all material information included in connection with the Company's application for financial assistance, including but not limited to, the cost-benefit analysis prepared by the Agency and such information has provided the Agency a reasonable basis for its decision to provide the financial assistance described herein to the Company.

Section 4. In consequence of the foregoing, the Agency hereby determines to: (i) lease the Land and the Improvements from the Company pursuant to the Company Lease, (ii) execute, deliver and perform the Company Lease, (iii) sublease and lease the Company Facility to the Company pursuant to the Lease Agreement, (iv) execute, deliver and perform the Lease Agreement, (v) grant a mortgage on and security interests in and to the Facility pursuant to the Loan Documents, and (vi) execute and deliver the Loan Documents to which the Agency is a party.

Section 5. The Agency is hereby authorized to acquire the real property and personal property described in Exhibit A and Exhibit B, respectively, to the Lease Agreement, and to do all things necessary or appropriate for the accomplishment thereof, and all acts heretofore taken by the Agency with respect to such acquisition are hereby approved, ratified and confirmed.

Section 6. The Agency is hereby further authorized to execute and deliver the Loan Documents in connection with the financing of the costs of acquiring, renovating and equipping the Facility and any future Loan Documents in connection with any future refinancing or permanent financing of such costs of acquiring, renovating and equipping of the Facility without the need for any further or future approvals of the Agency.

Section 7. The Agency hereby authorizes and approves the following economic benefits to be granted to the Company in connection with the acquisition, renovation and equipping of the Facility in the form of (i) exemptions from mortgage recording taxes for one or more mortgages securing an amount presently estimated to be \$18,955,000 but not to exceed \$21,000,000 in connection with the financing of the acquisition, renovation and equipping of the Facility and any future financing, refinancing or permanent financing of the costs of acquiring, renovating and equipping the Facility, (ii) exemptions from sales and use taxes in an amount not to exceed \$316,710, in connection with the purchase or lease of equipment, building materials, services or other personal property with respect to the Facility, and (iii) abatement of real property taxes (as set forth in the PILOT Schedule attached as Exhibit A hereof), consistent with the policies of the Agency.

The Company is hereby empowered to delegate its status as agent of the Agency to its agents, subagents, contractors, subcontractors, materialmen, suppliers, vendors and such other parties as the Company may choose in order to acquire, renovate, construct and equip the Facility. This agency appointment expressly excludes the purchase by the Company of any motor vehicles, including any cars, trucks, vans or buses which are licensed by the Department of Motor Vehicles for use on public highways or streets. The Company shall indemnify the Agency with respect to any transaction of any kind between and among the agents, subagents, contractors, subcontractors, materialmen, vendors and/or suppliers and the Company, as agent of the Agency.
