AGREEMENT

1. Recapture of Agency Benefits

(a) It is understood and agreed by the parties hereto that the Agency is entering into the Lease Agreement, the Equipment Lease Agreement and the PILOT Agreement in order to provide financial assistance to the Company and the Sublessee for the Facility and to accomplish the Public Purposes of the Act. In consideration therefor, the Company and the Sublessee hereby agrees as follows:

(i) If there shall occur a Recapture Event after January 29, 2016, but on or before December 31, 2019 the Company and/or the Sublessee shall pay to the Agency, or to the State of New York, if so directed by the Agency (except as otherwise specified below) as a return of public benefits conferred by the Agency, one hundred percent (100%) of the Recaptured Benefits (as defined below);

(ii) If there shall occur a Recapture Event on or after January 1, 2020, but on or before December 31, 2021, the Company and/or the Sublessee shall pay to the Agency, or to the State of New York, if so directed by the Agency (except as otherwise specified below) as a return of public benefits conferred by the Agency, seventy-five percent (75%) of the Recaptured Benefits;

(iii) If there shall occur a Recapture Event on or after January 1, 2022 but on or before December 31, 2023, the Company and/or the Sublessee shall pay to the Agency, or to the State of New York, if so directed by the Agency (except as otherwise specified below) as a return of public benefits conferred by the Agency, fifty percent (50%) of the Recaptured Benefits;

(iv) If there shall occur a Recapture Event on or after January 1, 2024 but on or before December 31, 2024, the Company and/or the Sublessee shall pay to the Agency, or to the State of New York, if so directed by the Agency (except as otherwise specified below) as a return of public benefits conferred by the Agency, twenty-five percent (25%) of the Recaptured Benefits; and

(v) If there shall occur a Recapture Event on or after January 1, 2025, the Company and/or the Sublessee shall not be obligated to pay to the Agency, or to the State of New York, any of the Recaptured Benefits; and

(b) The term “**Recaptured Benefits**” shall mean all direct monetary benefits, tax exemptions and abatements and other financial assistance, if any, derived solely from the Agency’s participation in the transaction contemplated by the PILOT Agreement, the Lease Agreement and the Equipment Lease Agreement including, but not limited to, the amount equal to 100% of:

(i) any exemption from any applicable mortgage recording tax with respect to the Facility on mortgages granted by the Agency on the Facility at the request of the Company (the “**Mortgage Recording Tax Exemption**”); and

(ii) (a) Sales Tax Exemption savings realized by or for the benefit of the Company, including any savings realized by any Agent, pursuant to the Lease Agreement and each Sales Tax Agent Authorization Letter issued in connection with the Company Facility (the “**Company Sales Tax Savings**”); and

(b) Sales Tax Exemption savings realized by or for the benefit of the Sublessee, including any savings realized by any Agent, pursuant to the Equipment Lease Agreement and each Sales Tax Agent Authorization Letter issued in connection with the Facility (the “**Sublessee Sales Tax Savings**”); and

(iii) real property tax abatements granted under the PILOT Agreement (the “**Real Property Tax Abatements**”);

which Recaptured Benefits from time to time shall upon the occurrence of a Recapture Event in accordance with the provisions of Section 1(c) below and the declaration of a Recapture Event by notice from the Agency to the Company and Sublessee be payable directly to the Agency or the State of New York if so directed by the Agency.

(c) The term “**Recapture Event**” shall mean any of the following events:

(1) A default by the Company and/or the Sublessee under the PILOT Agreement (other than as described in clauses (d) or (e) below) which remains uncured beyond any applicable notice and/or grace period, if any, provided thereunder; or

(2) The occurrence and continuation of an Event of Default under the Lease Agreement (other than as described in clauses (d) or (e) below) which remains uncured beyond any applicable notice and/or grace period, if any, provided thereunder; or

(3) The Facility shall cease to be a “project” within the meaning of the Act, as in effect on the Closing Date through the act or omission of the Company and/or the Sublessee; or

(4) The sale of the Facility (excluding any sale provided for in Section 9.3 of the Lease Agreement) or closure of the Facility and/or departure of the Company and/or the Sublessee from the Town of Islip, except as due to casualty, condemnation or force majeure as provided below; or

(5) Failure of the Company or the Sublessee to create or cause to be maintained the number of (FTE) jobs at the Facility as defined in Section 8.13 of the Lease Agreement and Section 8.13 of the Equipment Lease Agreement, which failure is not reflective of the business conditions of the Company or the Sublessee or the subtenants of the Company, including without limitation loss of major sales, revenues, distribution or other adverse business developments and/or local, national or international economic conditions, trade issues or industry wide conditions. It is further provided that the Company may not actually provide the FTE jobs at the Facility, but rather shall sublease the Facility to the Sublessee, and that the Company's obligation with regard to creating or causing to be maintained FTE jobs includes (a) using all reasonable efforts to lease up the Facility, and (b) including provisions in all subleases requiring any tenants to comply with the provisions of the Lease Agreement applicable to them; or

(6) Any significant deviations from the information and data provided to the Agency in the Company's and Sublessee's application for assistance which would constitute a significant diminution of the Company's or Sublessee's activities in, or commitment to, the Town of Islip, Suffolk County, New York; or

(7) Failure to comply with the Agency's Construction Wage Policy attached to the Lease Agreement; or

(8) The Company receives Sales Tax Savings in connection with the acquisition, construction and equipping of the Facility in excess of the Maximum Company Sales Tax Savings Amount; provided, however, that the foregoing shall constitute a Recapture Event with respect to the Company Sales Tax Savings in excess of the Maximum Company Sales Tax Savings Amount only; provided further, that failure to repay the Company Sales Tax Savings within thirty (30) days shall constitute a Recapture Event with respect to all Recapture Benefits; or

(9) The Sublessee receives Sales Tax Savings in connection with the acquisition, construction and equipping of the Facility in excess of the Maximum Sublessee Sales Tax Savings Amount; provided, however, that the foregoing shall constitute a Recapture Event with respect to the Sublessee Sales Tax Savings in excess of the Maximum Sublessee Sales Tax Savings Amount only; provided further, that failure to repay the Sublessee Sales Tax Savings within thirty (30) days shall constitute a Recapture Event with respect to all Recapture Benefits.

(d) Provided, however, except as provided in clause 1(c)(5) above, if a Recapture Event has occurred due solely to the failure of the Sublessee and/or the Company to create or cause to be maintained the number of FTEs at the Facility as provided in Section 8.13 of the Lease Agreement in any Tax Year but the Sublessee and/or the Company has created or caused to be maintained at least 90% of such required number of FTEs for such Tax Year, then in lieu of recovering the Recaptured Benefits provided above, the Agency may, in its sole discretion, adjust the payments due under the PILOT Agreement on a pro rata basis so that the amount payable under the PILOT Agreement will be adjusted upward retroactively for such Tax Year by the same percentage as the percentage of FTEs that are below the required FTE level for such Tax Year. Such adjustments to the payments due under the PILOT Agreement may be

made each Tax Year until such time as the Sublessee and/or the Company has complied with the required number of FTEs pursuant to Section 8.13 of the Lease Agreement.

(e) Furthermore, notwithstanding the foregoing, a Recapture Event shall not be deemed to have occurred if the Recapture Event shall have arisen as a result of (i) a “force majeure” event (as more particularly defined in the Lease Agreement), (ii) a taking or condemnation by governmental authority of all or part of the Facility, or (iii) the inability or failure of the Company and/or the Sublessee after the Facility shall have been destroyed or damaged in whole or in part (such occurrence a “**Loss Event**”) to rebuild, repair, restore or replace the Facility to substantially its condition prior to such Loss Event, which inability or failure shall have arisen in good faith on the part of the Company and/or the Sublessee or any of their respective affiliates so long as the Company and/or the Sublessee or any of their respective affiliates have diligently and in good faith using commercially reasonable efforts pursued the rebuilding, repair, restoration or replacement of the Facility or part thereof.

(f) The Company and the Sublessee covenant and agree to furnish the Agency with written notification (i) within sixty (60) days of the end of each Tax Year of the number of FTEs located at the Facility for such Tax Year, and (ii) within thirty (30) days of actual notice of any facts or circumstances which would likely lead to a Recapture Event or constitute a Recapture Event hereunder. The Agency shall notify the Company and the Sublessee of the occurrence of a Recapture Event hereunder, which notification shall set forth the terms of such Recapture Event.

(g) In the event any payment owing by the Company and the Sublessee under this Section shall not be paid on demand by the Agency, such payment shall bear interest from the date of such demand at a rate equal to one percent (1%) plus the Prime Rate, but in no event at a rate higher than the maximum lawful prevailing rate, until the Company and/or the Sublessee shall have made such payment in full, together with such accrued interest to the date of payment, to the Agency (except as otherwise specified above).

(h) The Agency shall be entitled to deduct all reasonable out of pocket expenses of the Agency, including without limitation, reasonable legal fees, incurred in connection with the recovery of all amounts due under this Recapture Agreement, from amounts received by the Agency pursuant to this Recapture Agreement.

2. Obligations Unconditional.

(a) The obligations of the Company and the Sublessee under this Recapture Agreement shall be absolute and unconditional and shall remain in full force and effect until the PILOT Agreement and the Lease Agreement have expired or been terminated and such obligations shall not be affected, modified or impaired by any state of facts or the happening from time to time of any event, whether or not with notice to or the consent of the Company or the Sublessee.

(b) It is hereby expressly agreed that the Company’s and the Sublessee’s respective obligations under this Recapture Agreement are not limited in any manner, and the Company

and the Sublessee shall be liable for the payment of all recapture amounts with respect to the entire Facility.

(c) Reserved.

(d) The Company, the Sublessee and the Agency hereby agree that the obligations and liabilities of the Company and the Sublessee hereunder are the absolute and unconditional obligations and liabilities of the Company and the Sublessee.

3. Condition to Reconveyance of Facility. The parties hereto agree that the Agency shall have no obligation to surrender its leasehold interest in the Company Facility to the Company pursuant to the Lease Agreement until all payments to the Agency and the Town of Islip under Sections 5.3, 11.2 and 11.3 of the Lease Agreement, under the PILOT Agreement and hereunder have been paid in full. If such payments are not paid in full by the Company within sixty (60) days of the date when due and owing, then the Agency shall offer its interest in the Company Facility for sale pursuant to the Agency's Real Property Disposition Policy adopted pursuant to the Public Authorities Accountability Act, as amended.

4. Recordation of Recapture Agreement. The parties hereto agree that this Recapture Agreement shall be recorded as a lien against the Facility and as a covenant and restriction running with the Land until this Recapture Agreement has been discharged by the Agency.

5. Terms Defined. All of the capitalized terms used in this Recapture Agreement and not otherwise defined herein shall have the meanings assigned thereto in the Schedule of Definitions attached to the Lease Agreement as Schedule A.

6. Directly or Indirectly. Where any provision in this Recapture Agreement refers to action to be taken by any Person, or which such Person is prohibited from taking, such provision shall be applicable whether such action is taken directly or indirectly by such Person.

7. Survival. All warranties, representations, and covenants made by the Company and the Sublessee herein shall be deemed to have been relied upon by the Agency and shall survive the delivery of this Recapture Agreement to the Agency regardless of any investigation made by the Agency.

8. Binding Effect. This Recapture Agreement shall inure to the benefit of and be binding upon the successors and assigns of each of the parties.

9. Notices. All notices, certificates and other communications under this Recapture Agreement shall be in writing and shall be either delivered personally or sent via certified mail, return receipt requested, or delivered by any national overnight express delivery service (in each case, postage or delivery charges paid by the party giving such communication) addressed as follows or to such other address as any party may specify in writing to the other:
